About two thousand years ago, in the town of Nazareth, there lived a young woman named Mary. She was engaged to be married. One day an angel appeared before her and told her she had been chosen to have a special baby who would be God's son and she must call him Jesus. We

have all heard the story so many times. You might believe that this Jesus is the Son of God and died because God loves you so much. But, has this belief changed your life? Do you live differently because Jesus Christ is your Lord and Savior? My life changed drastically when I realized that I could have an intimate relationship with God because of this nice little Christmas story. I hope and pray that you give your heart to the one who can make you happy forever!

Rain and Roofs - Jose Luis wears many hats as pastor, father, husband and contractor. The church roof leaked fiercely and is still only partially fixed. It needs rolls and rolls of tarpaper and gravel. The Movement church made hundreds of sandwiches as the water poured on their heads. They even put up a sun shade on the roof and tried to repair it in the rain. Thank you servants of God! Meanwhile the clowns performed below and showed how Batman, Spiderman, and others cannot save you from sin - only Jesus can. Many children prayed to receive Christ and spiritual breakthrough was evident after this powerful presentation.

Meet Lucia and Taquito - our newest members of CC Vista del Valle. Lucia (a grandma) is living at the church full time and heading up the feeding program. Taquito is her companion, friend and church watch dog (chihuahua). Please keep them in your prayers. Also, there is an enemy that is not happy about people changing their lives and walking with Jesus at CCVDV. Another mom and kids were rescued from an abusive home, there are two new adult believers at the church, one man and one woman, the bible studies are well attended and God is moving! Javier is learning English and even starting to speak a little! Christopher is now in the worship band at our church!

Vision A orphanage has been blessed with a new touch screen computer, money for their tamale Christmas party and 7 mattresses from a cruise ship. Vision B orphanage is receiving a Christmas party at Peter Piper Pizza arcade and a Nintendo Wii for the kids! We are praying for and accepting all kinds of toys for the 300 kids we serve in the colonias (poverty areas). If you can help provide toys for Christmas, I have drop off locations in Carlsbad and National City.

*"Oh, give thanks to the LORD, for He is good!" Psalm 136:1*

We pray that you have a wonderful, Merry Christmas and a blessed New Year!  
Thank you for partnering with us and making all of this ministry possible!
