Did you ever feel like you are living a dream? I do! It used to be that my bad dream would be to live in Mexico and know how the poor live. Now it is my dream to see God use me to love them and see their lives changed through obedience and the power of the Holy Spirit.

The last lady I picked up lives along the railroad track in a couple of those 10 ft x 12 ft homes. They have 7 kids living in these two little houses. But actually, they feel blessed as those around them are living in garage door makeshift shelters. With a 15 passenger van full of women who live in poverty I drove to Rosarito - what a treat for all of them. We attended the Calvary Chapel Rosarito's Women's event, complete with a Cajun Rice dish and beautiful fruit deserts. It was worth the four hours driving to bless them and let them know that the Lord loves them.

David is a gifted worship leader and prayer warrior. In his 28 years he has not walked in the ways of the world and is a blessing to all of us as he volunteers his Sunday's to lead us into the presence of God at our Calvary Chapel Vista del Valle. When his throat was so sore last week that he could not sing we suddenly were blessed with a worship team of 13 to 15 year olds from Rosarito! Our Christopher was one of the lead singers and they were actually quite good! We hope they return to Vista Del Valle to worship with us soon.

What is hard for me? Seeing and hearing of the abuse, drugs, depression and poverty and feeling so helpless. What can I do about it? Pray and see God provide. I can network with others who have a heart to see Tijuana changed and step out in faith when the Lord says "you Cindy". I think I am unequipped. The Lord says "I will go ahead of you." Five years ago the Lord clearly said through Joshua 1:3 "I will give you every place where you set your foot." And we go.

Thank you to North Coast Calvary Chapel who invited us to their Missions Fair in May. Through contacts made at their four services, two new people joined the group to take the Vision B kids to a huge park and zoo. NCCC is sending a Kids Games Mexico Team in July with us and raised a big offering for all the missionaries to share. If you would like us to come and share about the ministry at your church, we would love to!

ITS NOT TOO LATE to sponsor a Mexican child for school or BUILD A BACKPACK or donate school supplies or money to the TIJUANA SCHOOL & BACKPACK PROGRAM. Thank you for those of you have sent your checks or are working on the backpack program. You are making the difference in a child's life. I see so many children not educated and living in poverty. Please pray about joining with us this year by sending any amount to YUGO MINISTRIES, P. O. Box 58, National City, CA 91951-0058. Be sure to show Account #620500 for the Tijuana School Program.

To Him be the Glory!
